MINISTER MARK MUHAMMAD

CONTRIBUTING WRITER

“Allah (God) is the Friend of those who believe.” — Holy Quran 2:257. I thank Allah (God)

for His blessings. Three of the most important are my wife, my two children and my introduction to Islam through Minister Farrakhan.

To my family and friends — anything that you have done against me, I will not hold against you. Even if my mind has not forgotten it, my soul has forgiven it forever. I thank you for any good that you have ever done for me. Even though my mind may not recall it, my soul has etched it eternally on my heart.

Minister Mark Muhammad is the Syracuse representative for Minister Louis Farrakhan and the Nation of Islam. He is also an assistant professor at Onondaga Community College and is involved in several initiatives in Syracuse and Central New York.
